Uncompromising Quality and Professionalism

PHOENIX[®]

empowering excellence

A renowned HR Consultancy and Training house, PHOENIX trains and upgrades the HR talents of the Youth of not only the Orissa state but also others, providing an extra edge by imparting value-based holistic training in Communication and Management in a symbiotic ambience with uncompromising quality. PHOENIX has carved a niche for itself in the society today having pioneered and authenticated the concept of integrated superior subjective learning superimposed with the objective dimensions of Communication and Personality Development, Mentoring, Facilitating, Career Guidance and Counselling in the State and outside for the last twelve years. With over 6000 man-days of in-house research; PHOENIX is a leading end-to-end training solutions provider in the country and has been acknowledged in various fora. Its strong interface/collaboration with the industry, unique and modern award-winning methodology make its trainees stand out amongst their peers in their future pursuits. It is in PHOENIX that one's ideas and dreams can be smoothly translated to actions and results.

India's leading end-to-end HR training solutions provider
